

DISCOVER THE LATEST
TECHNOLOGY TO TRANSFORM
RESPIRATORY PROTECTION
PROGRAMS

WITH
AirSensit®
TECHNOLOGY.

CleanSpace®
RESPIRATORS

World's most advanced PAPRs

- Sleek and durable design
- No belts or hoses
- PAPR: Positive pressure and HEPA
- Buttons suited to gloved hands

CLEANSPACE PRO

CLEANSPACE ULTRA

Technology that tracks respiratory protection

- Intelligent Management Filter Technology (IMFT)
- Real time Mask fit check
- Automated use records
- Advanced program tools and insights

WATER TOLERANT

ADVANCED PROGRAM TOOLS & INSIGHTS

LONG TERM STORAGE

Smart PAPR systems that deliver performance and real time information to simplify respiratory protection.

Work related lung disease is a major contributor to asthma, COPD and lung cancer. We are the global leader in respiratory protection technology and program solutions. We help protect.

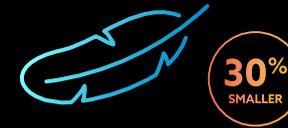

With patented AirSensit® technology, our lightweight systems have no belts or hoses. They deliver superior protection from lung hazards to enable wearers to work at their best.

Our advanced programs exceed your compliance needs. Discover the world's smartest personal respirator system.

With a comprehensive range of masks and filters

Feature Highlights

LIGHT: 400G

CONNECTIVITY

REAL TIME MASK FIT CHECK

PEAK AIRFLOW: 230 L

BATTERY RUN TIME:
12 HRS - 14HRS

INTELLIGENT MANAGEMENT FILTER TECHNOLOGY (IMFT)

SUSTAINABLE PACKAGING

EXCEEDS COMPLIANCE

ADVANCED PROGRAM TOOLS & INSIGHTS

STEP 1: SELECT MODEL

CleanSpace PRO
CST1000

Power unit*
includes neck
supports, charger
& carry bag

*excludes mask and filter

CleanSpace ULTRA
CST1010

Power unit*
includes neck
supports, charger
& carry bag

*excludes mask and filter

STEP 2: SELECT MASK

Half Mask

CST0134 - Small
CST0135 - Medium
CST0136 - Large

Full Half Mask

CST1017 - Small
CST1018 - Medium/Large

STEP 3: SELECT FILTER

PARTICULATE TM3 / P3 / HEPA

- Particulate Filter Std (3pk)
CST1005
- Particulate Filter High Cap (3pk)
CST1004

COMBINATION GAS & PARTICULATE

Gases & Vapours: Organic, Inorganic, Acid and Ammonia
TM3 / P3 / HEPA

- A1 P3 P SL R Combined Filter
CST1028
- A2 A1 P3 P SL R Combined Filter
CST1008
- AX P3 P SL R Combined Filter - Approval Pending
CST1009
- ABE1 P3 P SL R Combined Filter
CST1027
- ABEK1 P3 P SL R Combined Filter
CST1006
- ABEK1 P3 - Australia/NZ
CST1007
